## DISAPPEARING PUMPKINS

Halloween may be over, but there's still tons of Fall-themed, science fun to be had! Examine how with the right materials, you can make pumpkin candy have a spooky chemical reaction. Enjoy this interesting and adaptable activity with your

students. Download the full experiment [here!](#)

---

## LEE VALLEY WORKSHOPS ARE BACK!

**Scientists in School has once again partnered with your local Lee Valley Tools!**

Kids and parents will experience hands-on, STEM activities together, such as music and sound, or electricity and magnetism. Click the [link](#) to find upcoming dates happening in your neighbourhood!

---

**#SiSIMPACT**

Scientists in School has been focused over the last 27 years, not only developing hands-on STEM workshops for young scientists, but developing relationships with people like you! That's why we want you to join in on the conversation by using the hashtag #SiSImpact on Twitter and Facebook. Share examples of what Scientists in School means to you and your students, and witness the impact we have on STEM education!

## GET YOUR STUDENTS DRAWING AND ENTER OUR BOOKMARK CONTEST

Designed by Raiden, Grade 2  
Our Lady of the Assumption

Participate in our 2016-17 Bookmark Contest for a chance to win one of three awesome prizes. The theme is 'Science Around Us', and you can submit as many bookmarks as you wish. The contest deadline is **June 3, 2017** and is only open to students in Alberta.

Click [here](#) to view the entry package!

---

## KIDZ LAB CHALLENGE

Bring Scientists in School into your visual arts lesson! Our veteran mascot, Mr. Scientist, is retiring and we need a new Kidz Lab Challenge mascot to fill his

shoes. Your students design may be featured on our website, social media, and of course, the winner will receive some awesome prizes.

Download the entry package [here](#). We look forward to seeing all the imaginative designs!
