## ANOTHER FUN ACTIVITY FOR HOME

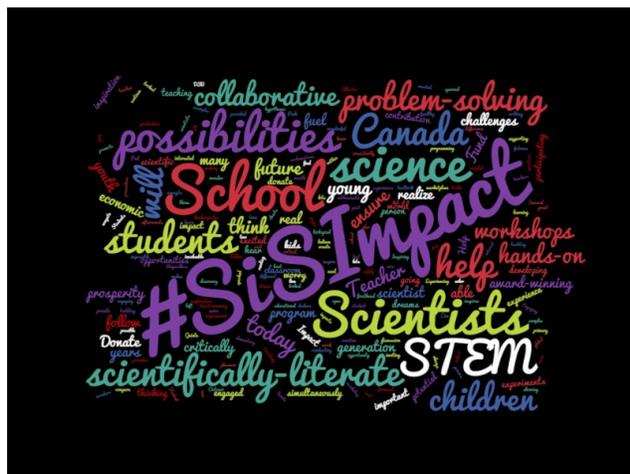

Tired of all that leftover candy? We have the perfect chemical "solution" for you!

[Click here](#) to try our new "Disappearing Pumpkins" experiment at home. This awesome activity will be sure to get your little scientists observing, questioning and deepening their attention to detail, all while having tons of fun!

For more experiments, visit us [online](#).

## #SiSIMPACT

Scientists in School has been focused

over the last 27 years, not only developing hands-on STEM workshops for young scientists, but developing relationships with people like you! That's why we want you to join in on the conversation by using the hashtag #SiSImpact on Twitter and Facebook. Share examples of what Scientists in School means to you and your students, and witness

the impact we have on STEM education!

Connect with us on [Twitter](#), [Facebook](#), and [LinkedIn!](#)

## KIDZ LAB CHALLENGE

Create a new mascot to represent Scientists in School!

It's time to test out your creativity skills! Our veteran mascot, Mr. Scientist, is retiring and we need a new Kidz Lab Challenge mascot to fill his shoes. Your design may be featured on our website, social media, and of course, the winner will receive some awesome prizes. We look forward to seeing your imaginative designs!

Scientists in School: Head Office  
975 Dillingham Road, Unit 2. Pickering, Ontario L1W 1Z7  
Telephone: 905-837-9626 or 1-866-678-3434 Fax: 905-837-8495  
Email: [eco@scientistsinschool.ca](mailto:eco@scientistsinschool.ca) Website: [www.scientistsinschool.ca](http://www.scientistsinschool.ca)

Our mission is to ignite scientific curiosity in children so that they question intelligently; learn through discovery; connect scientific knowledge to their world; are excited about science, technology, engineering and math; and have their interest in careers in those fields piqued. As a charity, we rely upon corporate, community and individual donors, as well as school board partners for support to develop new programs, improve our existing programs, reach new communities, provide complimentary workshops to under-resourced schools, and subsidize the cost of all classroom workshops.

Scientists in School is a registered Canadian charity: 867139537RR0001.
