When ordering Gildan brand T-shirts, the best way to decide the size is best for you, is to measure one of your T-shirts. Lay in on a flat surface as shown in the picture and take accurate measurements. Now use the chart below.

If you already know the persons chest size, simply divide that measurement by 2, now find it on the WIDTH COLUMN IN THE CHART.
(40" chest / 2 equals 20" this relates to a MEDIUM ADULT or Medium Womens Cut.)

Please deliver my order to the address listed above (P.O. box addresses not eligible) - \$10.00 FLAT FEE	10.00
OVERALL TOTAL
