

Signs of Spring Exploration Guide

Signs of Spring!

Do you hear birds chirping? Do you see butterflies fluttering?
Do you smell flowers blooming? It must be spring!

Put on your hat and sunscreen, engage your sense of observation
and head outside to find these 18 Scavenger Hunt items!

How to use this guide:

1. Print these sheets of plants and animals you may see or hear while exploring nature.
2. Attach the photos to a clipboard and head outdoors!
3. When you spot an item, mark one of the circles beside the name of the appropriate photo.
4. Remember to “take only photos, leave only footprints”.
